Subject No. 12.
Pudavat Funds and
their recovery.

Summary of discussion.—The management of Muzarayi institutions has not been transferred to the District Local Fund Boards. In many cases Pudavat Funds have become irrecoverable, being barred by limitation or otherwise. Rent due on lands endowed to temples is often not collected in time. These and Pudavat Funds should be made recoverable summarily as a revenue demand and not by the tardy process of suit in a Civil Court. Repairs to temples should be carried out from the general surplus of Muzarayi Funds.

Devan's reply.—It is not likely that Local Fund Boards will be able to manage Muzarayi Institutions better than the Government Agency. Steps will be taken to introduce a more efficient supervision of the management of these institutions by Government Agency. Pudavat Funds are often endowments merely on paper and in any case application to Pudavat Funds of the procedure prescribed for the recovery of revenue arrears is impracticable and in the interests of the public undesirable. Rent due on temple lands can in most cases be recovered under the Revenue Code and Rules, like rent due by inferior holders to superior holders. A Circular to this effect will be issued and Deputy Commissioners will be instructed to examine all Pudavat Fund cases and to take steps for their recovery and for the safe investment of such as may be recovered. (See Subject No. 5 *supra*.)
